A kiss to build a dream on
Almost like being in love
Blue moon
Cheek to cheek
Don't get around much any more
Fly me to the moon
Have you met Ms Jones
I've got a crush on you
It had to be you
Let there be love
More
Night and day
Secret love
Someone to watch over me
Take five
The very thought of you
Unforgettable

All of me
As time goes by
Blue skies
Come fly with me
Dream a little dream
For all we know
How deep is the ocean
I've got you under my skin
It's only a paper moon
Misty
My baby just cares for me
Orange coloured sky
Skylark
Straighten up and fly right
The autumn leaves
The way you look tonight
What a wonderful world

All the way
At last
Bye bye blackbird
Come rain or come shine
Fever
Georgia on my mind
I get a kick out of you
In the wee small hours

Ain't no sunshine
Can't take my eyes off you
Crazy
Don't it make my brown eyes
Eternal flame
First time ever I saw your face
Here comes the sun
How sweet it is
Imagine
La bamba
Look of love
Over the rainbow
Stand by me
'Til there was you
What's going on
You are the sunshine of my life

Brown-eyed girl
Close to you
Crusin' together
Don't know why
Fallen
Have I told you lately
House of the rising sun
I feel the earth move
It's not unusual
Let it be
Love is in the air
Say a little prayer
The more I see you
Unchained melody
When you wish upon a star
You to me are everything

Can't help falling in love
Come away with me
Dancing in the street
Don't you worry 'bout a thing
Feel like making love
Heard it through the grapevine
How deep is your love
If
Killing me softly
Let's stay together
Moon river
Something stupid
This guy's in love
We've only just begun
Yesterday
You've got a friend
