Dinner

A time for love
At long last love
Bewitched
Close your eyes
Don't get around much any more
Easy living
Have you met Ms Jones
I could write a book
I'll be seeing you
I've got a crush on you
In the wee small hours
Just in time
Look of love
Moon river
My funny valentine
Old devil moon
Peel me a grape
Save your love for me
Someday my prince will come
Speak low
Teach me tonight
The man I love
This can't be love
Wave
When I fall in love

As time goes by
Autumn leaves
Blue skies
Come rain or come shine
Don't go to strangers
Falling in love again
Here's that rainy day
I get a kick out of you
I'll close my eyes
I've never been in love before
It don't mean a thing
Let's face the music and dance
Love letters
Moonlight in Vermont
My romance
On the street where you live
Perfect day
Skylark
Someone to watch over me
Stella by starlight
Tenderly
The nearness of you
Thou swell
What a wonderful world
You got to my head

At last
Beautiful love
Bye bye blackbird
Comes love
Don't know why
Georgia on my mind
How deep is the ocean
I thought about you
I'll remember April
In a sentimental mood
It's crazy
Like someone in love
Misty
My favourite things
Nature boy
Our love is here to stay
Quiet nights of quiet stars
Softly as in a morning sunrise
Somewhere over the rainbow
Summertime
That's all
These foolish things
Unforgettable
What is this thing called love?
You'd be so nice to come home to

Dancing – slow

Ain't no sunshine
Blue moon
Eternal flame
Girl from Ipanema
Let's stay together
Paper moon
Strangers in the night
The way you look tonight
What a difference a day makes

Almost like being in love
Come away with me
Fallen (from Pretty Woman)
It had to be you
Love the one you're with
Secret love
Thank you (Dido)
They can't take that away from me
When a man loves a woman

Besame mucho
Dream a little dream
Feel like making love
L.O.V.E.
More
Straighten up and fly right
The very thought of you
Two sleepy people
Witchcraft

Dancing – uptempo

All of me
Cheek to cheek
Dancing in the street
Heard it through the grapevine
I've got you under my skin
Let's fall in love
My baby just cares for me
Orange coloured sky
So nice
Sway
Volare
You are the sunshine of my life

Brown-eyed girl
Come dance with me
Don't you worry 'bout a thing
How deep is your love
It's not unusual
Love is in the air
Night and day
Perhaps
Something stupid
Tequila
Watermelon man
You hit the spot

Can't take my eyes off you
Come fly with me
Fly me to the moon
How sweet it is
La bamba
Moondance
One note samba
Say a little prayer
Stand by me
The more I see you
When I'm kissing my love
You to me are everything
